1. Introduction

Her Majesty's Lord-Lieutenants are the representatives of the Crown for each county in the United Kingdom. Men or women of all backgrounds, they are appointed directly by Her Majesty the Queen, on the advice of the Prime Minister. The Lieutenant Governor of the Isle of Man is Her Majesty The Queen's Personal Representative, and is appointed by Warrant of Her Majesty The Queen.

The annual Lord-Lieutenants' and Lieutenant Governor's Awards for Reservists, Cadet Force Adult Volunteers (CFAVs), cadets and employees of the Reserve Forces and Cadet Organisations of the Armed Forces are recognised as laudatory honours throughout the

Ministry of Defence. These awards are intended to supplement Honours bestowed by Her Majesty The Queen in the New Year and Birthday Honours Lists, and, in precedence, rank after such awards.

Each year, the presentation of the Lord-Lieutenants' Awards for Cheshire, Cumbria, Greater Manchester, Lancashire and Merseyside, and the Lieutenant Governor's Awards for the Isle of Man, are facilitated by the North West of England and the Isle of Man Reserve Forces' and Cadets' Association (NW RFCA).

The awards include:

- Her Majesty's Lord-Lieutenants' and Lieutenant Governor's Certificate of Meritorious Volunteer Service;
- Her Majesty's Lord-Lieutenants' and Lieutenant Governor's Certificate of Meritorious Cadet Service;
- Her Majesty's Lord-Lieutenants' and Lieutenant Governor's Commendation; and,
- the appointment of Her Majesty's Lord-Lieutenants' and Lieutenant Governor's Cadets for each county and the Isle of Man.

The presentations are made at ceremonies in each county organised by NW RFCA and presided over by the Lord-Lieutenant of the county. The Lieutenant Governor of the Isle of Man holds a separate ceremony on the island.

2. Lord-Lieutenants' and Lieutenant Governor's Awards for Her Majesty's Reserve Forces, Crown and Civil Service

2.1 Lord-Lieutenants' and Lieutenant Governor's Certificate of Meritorious Service

The Lord-Lieutenants' and Lieutenant Governor's Certificate for Meritorious Volunteer Service may be awarded to any serving Reservist with the Royal Naval Reserve (RNR), Royal Marines Reserve (RMR), Army Reserve or Royal Auxiliary Air Force (RAuxAF), and Regular Service personnel and Civilians (e.g. Civil & Crown Servants) who are employed in direct support of the Reserve Forces.

The award is not intended as a routine recognition of long and faithful service; the criterion of exceptional service must be the principal factor. The award is not given in recognition of outstanding service on operations, which, rightly, should be recommended through the Chain of Command. However, such service can form part of the evidence of exceptional service.

As a guide, an individual should normally have a minimum of six years' service before being recommended for an award, but citations for individuals with fewer than six years' service will be considered on their merits. To qualify, an individual must be serving with, or employed by, the Reserve Forces on 1st January of the year in which he/she is

recommended. The Certificate may only be awarded once to the same individual. It may not be recommended posthumously.

Individuals who are recommended for an award will normally be eligible within the county of their parent unit or sub-unit, not in the county where they live, if this is different. Exceptionally, for individuals still serving in the National Army Reserve, awards will be made in the county where the individual lives.

The Certificate for Meritorious Volunteer Service is in the form of a mounted, illuminated scroll signed by the Lord-Lieutenant of the County and the President of NW RFCA. For the Isle of Man, the scroll is signed by the Lieutenant Governor.

2.2 Lord-Lieutenants' and Lieutenant Governor's Commendation

The Lord-Lieutenants' and Lieutenant Governor's Commendation may be awarded to any serving Reservist in the RNR, RMR, Army Reserve or RAuxAF, and Regular Service Personnel and Civilians (e.g. Civil & Crown Servants) who are employed in direct support of the Reserve Forces.

The award is intended to recognise an exceptional and outstanding act or achievement, either in the line of the individual's operational or domestic duties as a Reservist when not on deployment, or during service as supporting staff.

Such acts or achievements might include quick thinking in a crisis, resulting in a positive resolution, or a selfless act for the benefit of others.

To qualify, an individual must be serving as a Reservist or in employ on 1st January of the year in which he/she is recommended.

Individuals who are recommended for an award will normally be eligible within the county of their parent unit or sub-unit, not in the county where they live if this is different. Exceptionally, for individuals still serving in the National Army Reserve, awards may be made in the county where the individual lives.

The Lord-Lieutenants' and Lieutenant Governor's Commendation is in the form of a mounted, illuminated scroll signed by the Lord-Lieutenant of the County and the President of NW RFCA. For the Isle of Man, the scroll is signed by the Lieutenant Governor.

2.3 Other Honours

In recognition of the ongoing contribution and commitment made by individuals across the region, the Lord-Lieutenants and the Lieutenant Governor wish to invite to their annual Awards Ceremonies recipients of the Volunteer Reserves Service Medal (VRSM) and other appropriate awards, subject to capacity.

The VRSM is awarded after 10 years of service in the Reserves. Such long and faithful service can be recognised with the presentation of the medal by the Lord-Lieutenant or Lieutenant Governor. The VRSM is a silver oval with an image of the monarch on the obverse, and the words 'For Service in the Volunteer Reserves' on the reverse, above a sprig of oak leaves and acorns. The medal is suspended from a ribbon that represents each of the services (narrow strips of navy blue, red and sky blue, for the Navy, Army and Air Force respectively) separated by a thin strip of yellow from dark green bands (representing the Reserves) on either side.

2.4 Nominations and Timings of Submissions

The recommendation form for the Lord-Lieutenants' and Lieutenant Governor's Certificate for Meritorious Volunteer Service and the Lord-Lieutenants' and Lieutenant Governor's Commendation is available to download from the NW RFCA website (see link below). The form should be completed electronically by the Commanding Officer (or equivalent) and submitted by email to nw-offman@rfca.mod.uk.

The deadline for recommendations is 1600hrs Friday 27 January 2017. Lord-Lieutenants' and Lieutenant Governor's Awards 2017: www.nwrfca.org.uk/rfca/awards

Recommendations for the Lord-Lieutenants' and Lieutenant Governor's Certificate for Meritorious Volunteer Service and the Lord-Lieutenants' and Lieutenant Governor's Commendation should include a detailed, considered citation, based upon the template provided within the recommendation form. Written in the third person, and suitable to be read out during the presentation ceremony, citations should be concise, engaging and informative. Care should be given to elucidate all aspects of the individual's service, particularly those underpinning the recommendations. Service to the wider Armed Forces and local communities should also be highlighted. If the recommendation is not accompanied by an appropriate citation, it will be returned.

A recommendation for the Lord-Lieutenants' and Lieutenant Governor's Certificate for Meritorious Volunteer Service or Commendation should not normally be submitted to run concurrently with one for an award in the New Year's or Birthday Honours List, unless in exceptional circumstances, which should be highlighted in a covering letter. An unsuccessful recommendation does not debar the submission of a further recommendation in a later list.

Please note: nil returns from units and sub-units must be submitted to NW RFCA and will be forwarded to the Lord-Lieutenant or Lieutenant Governor.

3. Lord-Lieutenants' and Lieutenant Governor's Cadet

3.1 Background

Each year, the Lord-Lieutenants and Lieutenant Governor appoint young people to serve as the Lord-Lieutenants' or Lieutenant Governor's Cadets. They are drawn from the Sea Cadet Corps (SCC), Royal Marines Cadets (RMC), Army Cadet Force (ACF), Air Training Corps (ATC) and Combined Cadet Force (CCF). The appointment is recognised as one of the highest honours a cadet can achieve.

When on duty, the Lord-Lieutenants' and Lieutenant Governor's Cadets wear a distinctive badge of their appointment to denote their role. They assist the Lord-Lieutenant or Lieutenant Governor as required, often on parade for Royal visits, and act as ambassadors for their organisations and the young people of the region.

NB: The term Lord-Lieutenant's Cadet, used hereafter, covers both the appointment of Lieutenant Governor's Cadet, as well as the new roles of Vice Lord-Lieutenant's and Deputy Lieutenants' Cadets, existent in those Counties as agreed by the Lord-Lieutenant.

Lord-Lieutenants' Cadets may wear the special Badge of the Lord-Lieutenants' Cipher on their right forearm, four inches from the cuff of their No.1 (RN/RM/RAF) or No.2 (Army) Dress. The Badge will remain the property of the Cadet. It is the responsibility of the Area (SCC/RMC), County (ACF), Wing (ATC), School (CCF) Headquarters to ensure the Lord-Lieutenants' Cadets have the correct uniform when attending

Lieutenancy functions. The letter of appointment issued by NW RFCA is to be used as proof of entitlement for additional uniform items.

Lord-Lieutenants' Cadets will be required to attend both the Presentations of Awards and Cadet Briefing Days at the beginning and end of their periods in office.

The selection of duties for Lord-Lieutenants' Cadets will be made by the Lord-Lieutenant's Office. NW RFCA will provide an emolument of up to £1,000 per Lieutenancy, by way of a partial contribution toward travel expenses, which may be claimed upon presentation of receipts. Full induction, training and briefings to parents/guardians and schools/employers will be provided for incoming Lord-Lieutenants' Cadets.

3.2 Eligibility

The Lord-Lieutenant's Cadet is a high profile appointment, and, as such, it is expected that the candidate should be of the highest standard, with excellent bearing, good interpersonal skills and the ability to interact with others.
